The Cliff Dwellers

Allied Arts Category — Full Membership Roster

William J. Bowe · wbowe.com

Editor's Notes: Source: Collected and derived from The Cliff Dwellers membership office files (1907 through 2024) and records stored at the Newberry Library. "Member + Detail" sheet, filtered to the 315 members whose recorded Profession is "Allied Arts" (the club's broad catch-all for scholars, museum professionals, clergy, educators, editors, and other arts-adjacent figures). Fields shown: name, whether the member's recorded membership type was Honorary, the year(s) of membership if available, profession, and any comment already in the database.

The 20 most famous members among these 315 are listed first, in descending order of fame, based on web research (national honors, institutional leadership, lasting scholarly or cultural influence, etc.) with a brief note on why each was placed where they were. The complete roster of all 315 Allied Arts-category members follows, in alphabetical order by last name.
