House of Representatives

Mr. and Mrs. Augustine Bowe
1120 Lake Shore Drive
Chicago, Illinois

Dear Julia and Gus:

I have just seen the Chicago American for Wednesday, June 12th. I was delighted to read the story of my "neighbors" and friends, and to acknowledge with pride my membership in the Bowe collection of interests. "Let me live in a house by the side of the road and be a friend to man" seems far removed from a skyscraper on Lake Shore Drive, but you have made it very much a living reality.

All my best,

Sincerely yours,

SIDNEY R. YATES
Member of Congress
