Chief, CIAB

14 March 1969

Mr. Joy/48372/11h

1. It is my understanding that CPL William J. Bowe RA 68032746, presently assigned to CIAB has been offered a direct commission in Military Intelligence.

2. CPL Bowe has both a Political Science degree in International Relations from Yale University and a degree in law from the University of Chicago. He has also practiced law for a period, during which time he had occasion to engage in legal research and write extensively on a wide variety of subjects. This background is peculiarly suited for assignment to CIAB. CPL Bowe has acquired a difficult to replace expertise over the matters entrusted to his responsibility. His past performance has been an important contribution to the work of CIAB, and his loss would be hard to compensate for.

3. In view of the matching of Bowe's experience and qualifications with the unusual needs of CIAB, request that consideration be given to retaining CPL Bowe in CIAB after he receives his commission. If CPL Bowe is permitted to remain in CIAB he would be retained in his present position in a Section with two Captains. No leadership or administrative problems are anticipated.
