Declination of Appointment

TO Commanding General
Dist 03 Army

FROM

CPT William J. Lowe
9020 MI Group

DATE

CMT 1

1. I respectfully decline the commission as an officer in Military Intelligence proffered me on 29 April 1969.

2. It was my carefully considered judgment that in view of my educational background, professional training, and the nature of my current duties with the Counterintelligence Analysis Branch of the 9020 MI group, it would be in the interest of both myself and the Department of the Army were I to continue execution of my present responsibilities.

3. I am honored that the Department of the Army saw fit to tender me the commission for appointment and I regret circumstances did not permit the acceptance of such appointment.
