Mrs engine parked in front
Dick went over to Healy's

Tiny Tim and a fire engine arrived at the home of Mr. and Mrs. Thomas Healy Tuesday for the party to herald the Chicago Youth Centers' dance June 13. Tiny came because "I love children," and the fire engine because the dance will be at the Chicago Fire Academy. Tiny was late because, in words of his manager, "his hair was a mess," and was further delayed in signing autographs around the fire engine. Finally, Mrs. Stephen Snyder (left) and Mrs. Mel Mongerson escorted him inside. (Sun-Times Photo by Charles Gekler)
