Dear Mr. Bowe,

Happy Birthday!

Your associates and friends in the Counterintelligence Analysis Branch join me in extending our best wishes for your happiness, good health, and success in the coming year.

In view of the importance of this occasion, may I suggest that you spend your birthday with your family or friends -- to return to your duties older, wiser, and ready to attack old problems with renewed vigor.

It is a pleasure to have you in this branch. I hope that the coming year will strengthen our association, and that your next birthday will find you well advanced in achieving your personal and professional objectives.

Sincerely,

W.L. Parkinson
