Dear William,

Upcoming Events at Cliff Dwellers

Tuesday, August 5: Special Members Table Luncheon

Past President Bill Bowe has been a regular participant at the Members Table for many years. Those wanting to review affairs of state and other business knew that before lunch they could find him seated in one of the chairs in the lounge area. Mr. Bowe recently retired after a distinguished legal career at Encyclopedia Britannica.

Though we congratulate him on his retirement, we do miss his regular attendance at the Member's Table. Please join us for a Special Member's Table Luncheon where we will recognize and celebrate Bill's transition from a regular to irregular raconteur. Lunch will begin at twelve noon.

Advance registrations are essential. Call 312-922-8080 or e-mail reservations@cliff-chicago.org.

Remember - Member's Table will expand to accommodate all members who attend.
