

# STEVENSON III III. TREASURER

December 8, 1966

Mr. William Bowe  
120 Lake Shore Drive  
Chicago, Illinois

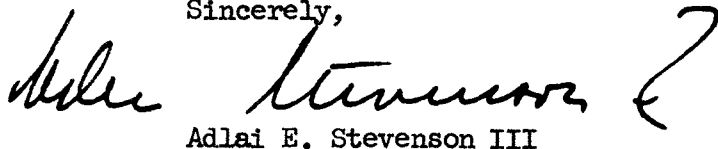

Dear William:

Our great victory was due in large measure to the hundreds of young men and women throughout Illinois, who like yourself, volunteered to promote my candidacy at the grass roots level. The leadership you provided as chairman of a local Youth For Adlai committee was invaluable; without it, I could not have won. My family and I extend to you our sincerest gratitude.

Hopefully, your brief exposure to politics was personally rewarding. There are likely to be other campaigns and a variety of crucial political skirmishes in the months ahead. Perhaps our commonly shared views on government and our aspirations for Illinois will persuade us to join forces once again. I will welcome those opportunities.

Again, many thanks for your kind efforts in my behalf.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Adlai Stevenson III', with a large, stylized flourish at the end.

Adlai E. Stevenson III
